ANARCHISM!

601 W 13th Ave.

**7 pm/Wed
August 6th**

A colorful and provocative survey of anarchism in America, the film attempts to dispel popular misconceptions and trace the historical development of the movement. The film explores the movement both as a native American philosophy and as a foreign ideology brought by immigrants. The film features archival footage, interviews with personalities in anarchist history and a live performance of the Dead Kennedys.
