# THE GARDEN

**Urban farmers fight back against  
a developer & the City of L.A.**

The 14 acre community garden in South Central Los Angeles, the largest of it's kind in the U.S., was started after the 1992 riots. Since then, the farmers have created a miracle-growing their own food, feeding their families & creating a community. As bulldozers threaten their oasis, the film portrays the struggle between the urban farmers against the City of L.A. & a powerful developer who want to evict them.
